Very Important Notice

Hey there! Just a quick reminder 🗨️ – if someone is not on the lease, they cannot live with you or stay as a guest for more than 7 days. ⌚ If they plan to stick around longer, fill out a Guest Request Form. 📄 It's all about following the rules and keeping things smooth! 😊🏠

Family Self-Sufficiency (FSS) Program Is Now At SPHA

What is the Family-Self Sufficiency (FSS) Program?

FSS is a five-year program offered to all SPHA tenants who are 18 and older to help them achieve their career, educational, and other personal goals.

Here is how the FSS Program Works:

- **Develop a Plan:** Participants, along with the Resident Service Coordinator, create a 5-year plan that outlines their career-related goals and objectives.
- **Explore Opportunities:** Participants may enroll in a variety of courses, programs, and skills trainings through program partners.
- **Work and Grow Savings:** As household income increases due to employment, the increase in rent will be deposited in a savings account.
- **Receive Escrow Account:** Upon successful completion of the FSS program, participants receive the accumulated savings from the escrow account.

If you are interested in learning more about the FSS Program, you can reach out to **Beth Rosenow, Resident Services Coordinator**, at 715-341-3444 Ext. 6 or E-mail: brosehow@spha-wi.org.

Are you eligible for a dependent deduction?

If you add a dependent (a new child, full-time student) to your household, you may qualify for the annual deduction of \$480. You must supply a social security number and birth certificate to the office.

Next Board Meeting

The SPHA Board meeting will take place on Monday, October 30, 2023 at 4:00 p.m. in Hi-Rise dining room. For more details, visit www.spha-wi.org/events.

Get Ready for Fall & Winter

What do I have to do before Winter?

- Be attentive to snow removal postings.
- You will need to remove your car from your parking spot for our personnel to clear the snow.
- Report any broken thermostats as this can affect the control of heating.
- Prevent damage to the pipes.
- Don't turn down your thermostat below 60 degrees.
- Keep windows closed to conserve heat.

Free Dentistry Day

What: Free cleaning, filling or extraction!
When: Friday, November 3rd
Time: 8 a.m. - 12 p.m.
Where: Quirt Family Dentistry
 1819 Park Ave, Plover 54467
Phone: 715-544-6100

Scam Warning

The Aging & Disability Resource Center/Lincoln Center is NOT doing any Robocalling, its phone has been spoofed.

A robocall is a call that delivers pre-recorded messages through auto-dialing software to millions of people. Phone Spoofing is the use of fake caller ID information to mask the true source of an incoming call. Scammers typically spoof phone numbers to appear to be from a particular location or organization. Feel free to hang up when you think a scammer has called you.
